## LETTER TO TRINITY CATHOLIC SCHOOL STAKEHOLDERS

Dear all

The four week consultation has ended and I enclose the Governing Body's recommendation to the Trustees of the Roman Catholic Archdiocese of Birmingham. You will note that following the consultation the Governing Body met and unanimously decided to recommend that the **school sixth form remain open**. Our next steps are to submit this document to the Trustees, which will happen today and it will be considered at their next meeting.

I will feedback to all as soon as their decision is known.

I have instructed Chris Gabbett, school Principal, to plan for the continuation of Key Stage Five education while also analysing subject offer and potential for savings throughout the school. The Governors have also commissioned additional marketing and fundraising activities based upon strong feedback in the consultation. If you have any questions about this process, please email [trinityconsultation@welearn365.com](mailto:trinityconsultation@welearn365.com).

Thank you for your prayers and continuing support.

Yours sincerely

**Christopher Snelson**  
**Chair of Governors,**
